

Sponsorship Opportunity

Sponsor a Camper – \$175

Traditional Week of Camp F.R.I.E.N.D.

Give a child the chance to experience the joy of summer at Camp F.R.I.E.N.D.

For many families in our community, the cost of specialized summer programming can be a barrier. While it costs approximately **\$775 per camper** (more than **\$35,000 per week**) to operate Camp F.R.I.E.N.D, including trained staff, supplies, transportation, and a safe, structured environment, we keep the family fee at just **\$175 per camper** to ensure accessibility.

Your sponsorship bridges that gap.

Why Sponsor a Camper?

Camp F.R.I.E.N.D. is more than a summer camp, it's a life-changing experience. Designed specifically for children and adolescents with autism, the program fosters:

- Social skill development and meaningful peer connections
- Confidence-building through structured, supportive activities
- Opportunities for community engagement and inclusion
- A safe, welcoming environment led by trained professionals

For many campers, this is one of the only environments where they can fully participate, build friendships, and simply enjoy being a kid.

Your Impact

Your \$175 sponsorship:

- Directly supports one camper's full week of camp
- Helps maintain a high staff-to-camper ratio for individualized support
- Funds supplies, transportation, and engaging daily programming
- Provides families with access to resources, workshops, and community support

A Simple Gift. A Lasting Impact.

By sponsoring a camper, you are opening the door to connection, growth, and joy for a child who might otherwise miss out.

\$175 = One Camper. One Week. One Unforgettable Experience.
